Proposals for Recognition of Prior Learning (RPL) accreditation in Paints & Coatings Sector:

Recognition of Prior Learning (RPL) is a very important function associated with National Skills Qualification Framework (NSQF). RPL can be defined as the process of recognizing previous learning, often experiential, towards gaining a qualification.

RPL is of particular significance in India, especially in the informal sector that employs more than 90% of the workforce. Integrating RPL framework within the general and vocational education systems is the need of the hour. RPL will be particularly beneficial for the youth of the country because it can enable individuals to build on skills acquired.

TNSDC is aiming for Recognition of Prior Learning (RPL) of skilled workers engaged in Construction, Apparel and Domestic Sectors which will take the uncertified workers to next level of certified skilled work force. TNSDC has received proposals from the Paints & Coatings Sector Skill Council (PCSC) to assess and certify under RPL Programme as follows:

Sl. No	Institutions	Sector	No. of Persons	Cost of Assessment & certification	Total Amount in Rs.
1	Paints & Coatings Skill Council (PCSC)	Paints & Coatings	10,000	Rs.1000 per trainee	1,00,00,000
Total			10,000		1,00,00,000

As TNSDC is mandated to assess and certify persons under RPL, the above proposal to assess & certify **10000** persons is hereby approved.

The proposal for the development/upgradation of existing TNSDC portal into multilingual integrated Skill Analytical tool & Governance system which will take care of Web based Governance of Tamil Nadu Skill Development Corporation at the cost of Rs.2.00 Crore.

The Integrated System shall lead to the common platform of all the skill training departments & TNSDC.

Proposed Skill Analytical tool and Governance Solution

1. Monitoring

- (a) A continuous process of collecting and analysing information in TNSDC To compare how well a scheme, Candidate mobilisation, Trainings, Fund Disbursements, employment, Industry / Corporate Connection projects, program or policy etc. are performing against the expected results.
- (b) **“Navigation system” tailored to different stakeholders**
To custom build the TNSDC requirement, due to fact that the State handles centrally sponsored schemes, State Schemes and various proactive programs for the benefits of the trainees.

The graphical / analytical information /dashboards with rich visualization features with various graphical representation like Stacked bar chart, Stacked column chart, clustered bar chart, clustered column chart, 100% stacked bar chart, 100% stacked column chart, Line chart, Area chart, stacked are chart, line and stacked column chart, line and clustered column chart, ribbon chart, waterfall chart, scattered chart, pie chart, donut chart, tree map, geo map, filled map, funnel chart, gauge chart, card, multi row card, KPI's, Slicer, table, matrix, ARCGIS map, heat map etc.. may be provided. The tool is flexible enough to import custom visuals as well.

2. Evaluation

A selective, systematic, objective assessment of an on-going or completed project, program, or policy, its design, implementation and/or results

The solution has to capable of evaluation of TNSDC through

- ✓ Financial (Budgets & Disbursements), Operational audits
- ✓ Targeting assessments of training partners
- ✓ Trained & Placed tracking solutions
- ✓ Expenditure tracking studies

3. Financial Management

Having improved financial operations, TNSDC can stay on top of new Schemes, changing schemes, new sectors, and new training partners etc., with intelligent financial management solutions. Our solutions support core ERP finance as well as advanced FP&A, compliance and more.

The Key aspects;

- ✓ The Invoice submission by the training centres as well as the SSCs are fully automated. This process will help the department to manage the complete disbursement with minimal staff.
- ✓ Accurate month on month fund forecast.
- ✓ Budget computed at candidate level, which ensures that disbursement does not exceed the computed figure at any point in time.
- ✓ Carry forward of un-utilised budget across financial years. The system does this automatically.
- ✓ Various financial reports, statutory reports.
- ✓ Ability to generate Balance sheet.

4. Academic process

The operation aspects of TNSDC is Skilling of Candidates, policies generation & monitoring, Schemes, Candidate mobilisation, execution of skilling programs, Assessment, Certifications etc...

- ✓ Training centre/ Training partner/ PIA enrolment & affiliation
- ✓ Batch allocation, On completion of successful validation,
- ✓ Assign Batches to Assessment Agencies,
- ✓ Assessment, through a mobile app Review of the Assessment data
- ✓ Video Monitoring

5. Analytics

The analytical tools, Q&A function. Sometimes the fastest way to get an answer from your data is to ask a question using natural language, and that's exactly what Q&A allows users to do, making this feature a top cited benefit in achieving self-service business intelligence.

- ✓ Right-to-Information & Grievance Management System
- ✓ Citizen Charter Information System
