Empowering Livelihoods through advanced skill training for artisans involved in traditional job roles / Trades :</b></p> <p>To further enhance the State's skill ecosystem, the following trades are proposed under <b>Empowering</b></p>

based organisations located in Tamil Nadu creating Employment for at least 50 persons and investment of Rs.50 crore, or annual turnover of minimum Rs 250 crore are classified as large industries.

#### **4. Institutions:**

This category encompasses Polytechnic Colleges, Industrial Training Institutes (ITIs), Industrial Schools, and other institutions equipped with advanced, industry-oriented training infrastructures. These institutions, particularly those affiliated with and aligned to meet current job market needs, are recognized as key contributors to the skill development ecosystem.

### **Livelihoods through advanced skill training for artisans involved in traditional job roles**

for inclusion in the Naan Mudhalvan Finishing School initiative. One of the key objective of this program is to upskill artisans with access to modern tools and facilities to enhance productivity.

### **Advanced skill training for artisans involved in traditional Job Roles /**

#### **Trades Proposed:**

- ✓ Metalworks,
- ✓ Jewel making,
- ✓ Pottery including Terracotta Works,
- ✓ Basket / Mat / Broom making / Rope weaving,
- ✓ Hair designing and grooming,
- ✓ Doll/ Toy making,
- ✓ Tailoring,
- ✓ Weaving & Embroidery,
- ✓ Sculpting/ Stone carving,
- ✓ Bamboo, Cane, Jute, Palm Leaf Works,
